I left him a phone message after a couple emails to him got bounced saying they were undeliverable: Loesel.Matthew@epamail.epa.gov is the address I had. Is that the proper address?

Mr. Stauber
Please coordinate with Matt Loesel. He is in the EOC

Hi George and Eric,

Do you know what further data we'll be getting today and over the weekend? Is it more ASPECT plane PDF's for more recent flights or is there something else?
